TABLE 5D - MINIMUM GUARANTEE AND EQUITY BONUS

Table 5D provides obligations for Minimum Guarantee and Equity Bonus funds, by State, program funding subcategory, and population.

Funding subcategories are shown as:

ANNUAL LIMITATION..... Obligation limitation that is available for one fiscal year used to obligate apportioned funds and allocated funds subject to such obligation limitation by law. The annual limitation provided for apportioned funds is also known as formula obligation limitation. Almost all obligation limitation for the Federal-aid Highway Program is annual limitation.

SPECIAL LIMITATION..... Obligation limitation that is available for more than one fiscal year (either multi-year or available until used) used to obligate funds for certain programs subject to such obligation limitation by law. Under the FAST Act, only research programs receive special limitation (available until used). In the past, a limited number of other programs received special limitation.

EXEMPT..... Certain programs not subject to obligation limitation by law. Only $739 million of Federal-aid Highway funding per fiscal year is exempt from the obligation limitation. Currently, this includes $100 million in Emergency Relief Program funding and $639 million in apportioned National Highway Performance Program (NHPP) funding. In the past before the NHPP program, portions of Equity Bonus, Minimum Guarantee, or Bonus State Bonus had been exempt from the obligation limitation.

Areas are defined as:

Rural..... Areas not included within an urban area.
Small Urban..... Areas with populations greater than 2,500 and less than 200,000.
Urbanized..... Areas with populations greater than 200,000.
Other..... Projects falling outside of Rural, Small Urban, or Urbanized (such as Statewide where the geographical information is not known).

Negative numbers in the following table reflect funds that a State has de-obligated during the fiscal year.
