Report on the Status of Federal-aid Highway Funds for Fiscal Year 2017 (Mid-Year)

Section 1402 of the Fixing America's Surface Transportation (FAST) Act requires a semi-annual report on the status of Federal-aid highway funds, with reports produced for mid-year and year-end of each fiscal year. This requirement is codified in section 104(g)(3)(A) of title 23, United States Code.

The attached report has been developed from data in the Federal Highway Administration's Fiscal Management Information System (FMIS) and includes multiple tables. A description of the data in each of the tables is contained below in the Summary of Tables. Where necessary, individual tables may contain data legends to aid in the reading of the data.

Summary of Tables

Table 1 Obligations by State during the fiscal year.

Table 2 Unobligated balances available to each State.

Table 3 Provides changes in the obligated, unexpended balance for each State, year-to- date, during the current fiscal year.

Table 4 Unobligated balances of funds available for expenditure at the discretion of the Secretary of Transportation.

Table 5 Provides the rates of obligation of funds apportioned or set aside from apportioned programs. The data are provided for each State and geographic area, including urbanized and rural areas, according to the following:
