Administration**

Memorandum

Subject: **ACTION:** Best Value Contracting
Weigh In Motion Project A12 (461) US-20
Special Experimental Project No. 14 (SEP-14)

Date: August 31, 2012

/Signed By//

From: David A. Nicol
Director, Office of Program Administration

In Reply Refer To:
HIPA-30

To: Peter J. Hartman III
Division Administrator
Boise, ID

This is in reference to Mr. John A Perry's August 30, 2012 email that transmitted the Idaho Transportation Department's (ITD) August 27, 2012 SEP-14 workplan for the use of a best value procurement approach for a Weigh in Motion Project on US-20. The best value procurement approach will allow ITD to select the contractor that provides the greatest value for the available budget.

Please let ITD know that a single initial/final project evaluation would be appropriate for this relatively small project. You may consider this project approved for evaluation under SEP-14. Thank you for the opportunity to review and comment on this SEP-14 request. Should you have any questions, please contact Gerald Yakowenko at (202) 366-1562.
