

# SAVE THE DATES

## ▶ **Next** STIC Network National Meeting

April 23, 2020

Theme: Strategic Planning for Research and Innovation

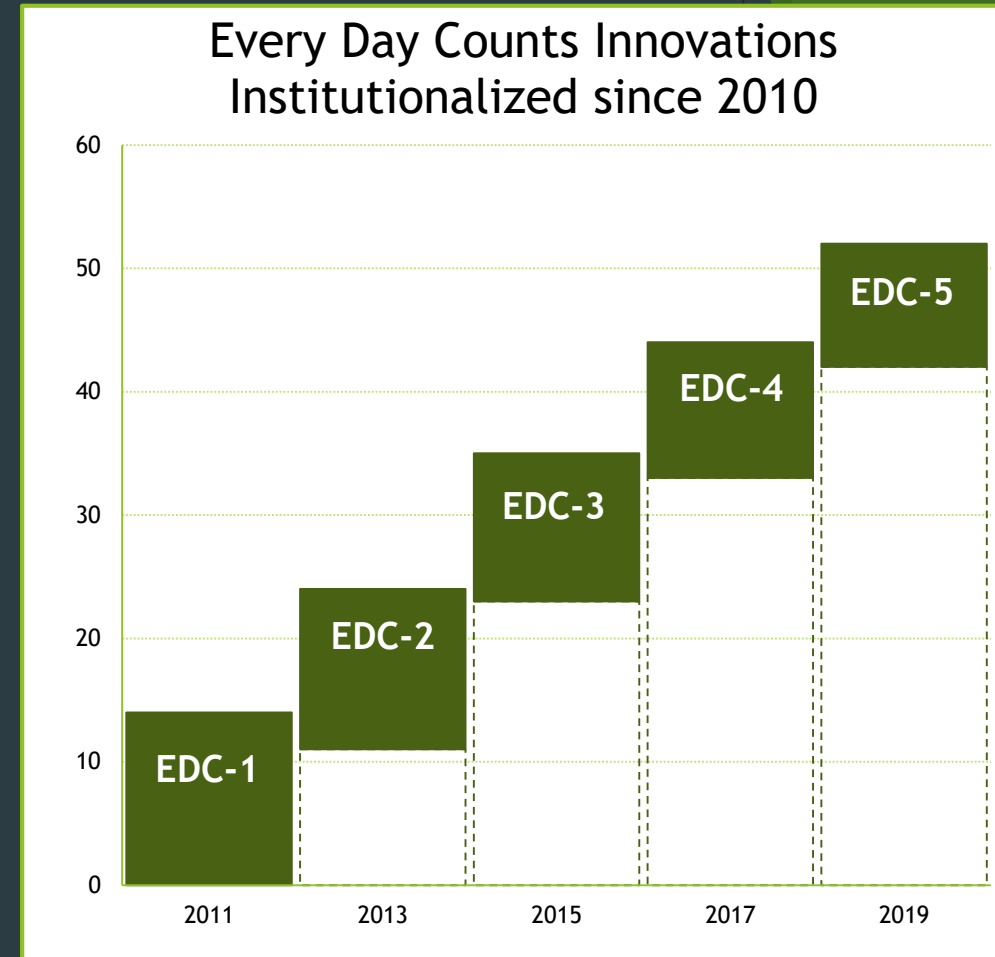

HINT: If you have thoughts on the next theme or ideas for a speaker, let us know at [innovation@dot.gov](mailto:innovation@dot.gov) .

# Every Day Counts Innovations by the Numbers:

from 0 to >50  
innovations

in 9 years!

One year ago, over

**1,100** people attended the

**EDC-5 Summits**

from all **54** STICs

# Want to talk with another STIC?

# Find all of the STIC Network contacts at this link:

<https://www.fhwa.dot.gov/innovation/stic/stic-contacts.cfm>

HINT: If you see an error, send any updates needed to [innovation@dot.gov](mailto:innovation@dot.gov).

The screenshot shows a web browser displaying the FHWA STIC Network contacts page. The page title is "STIC Network | Federal Highway Administration". The main heading is "Center for Accelerating Innovation". Below the heading is a search bar. The page content includes a navigation menu with "CAI Home", "Every Day Counts", "STIC Network", "AID Demonstration", "AMR Program", and "Resources". The "STIC Network" section contains a table with the following data:

State	Co-Chairs	Contact – EDC Coordinator	Additional Info
Alabama	John Cooper, ALDOT Director Mark Barbee, FHWA Division Administrator	Kristy Harris (334) 274-6361 Kristy.Harris@dot.gov	Charter STIC Incentive Projects

Most states have participated in the Accelerated Innovation Deployment (AID) Demonstration Program.

Has your State/agency?

Find out more here:

<https://www.fhwa.dot.gov/innovation/grants/>

# Have you seen the weekly Every Day Counts News?

## A newsletter is emailed every Thursday.

You can view EDC News editions and sign up here:

<https://www.fhwa.dot.gov/innovation/everydaycounts/edcnews/>

Are you thinking about your **STIC**  
Incentive projects for **FY20**?

Not too early to start

What innovations will you  
institutionalize this year?

# In September Innovation Officers from several states attended an **Innovation Forum**\*

Thank  
You!

\*states have an “innovation officer” position or those that contacted CAI for guidance on developing this position or expanding their innovation program.

HINT: If your state has an Innovation Officer, let us know at [innovation@dot.gov](mailto:innovation@dot.gov).

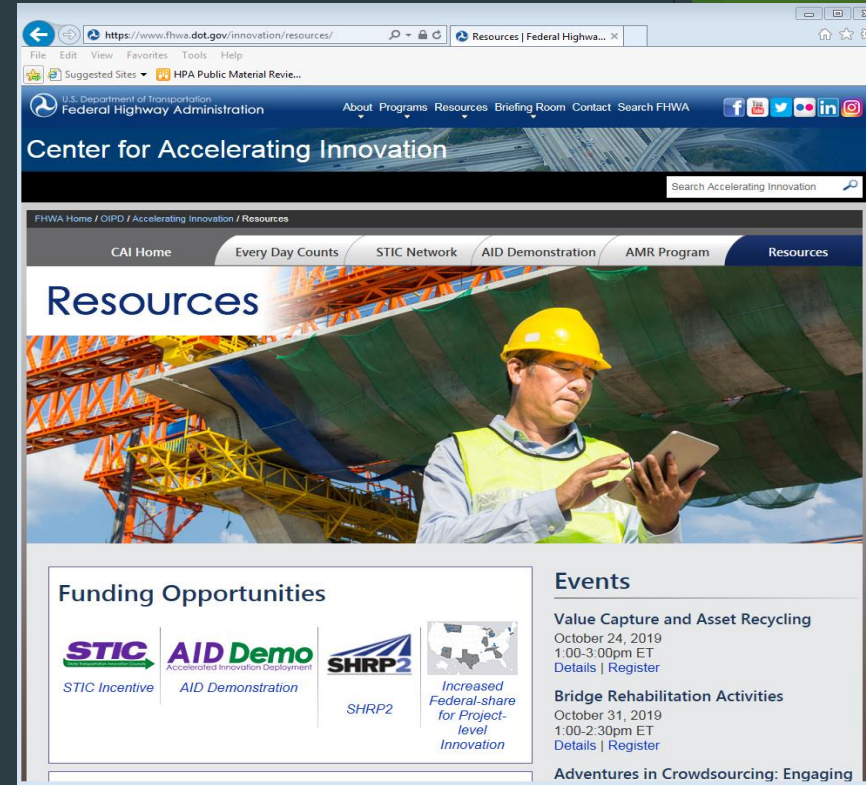

Have a question or comment?
