

US Department of Transportation
Federal Highway Administration

P3 MODEL CONTRACTS LISTENING SESSION))))

- **Wednesday, January 16, 2013**
- **Department of Transportation Headquarters, West Atrium
1200 New Jersey Avenue, SE
Washington, DC 20590**
- **West Atrium opens to participants at 10:00 am**
(Preregistration is required, as space is limited to the first 250 registrants.)
- **Session begins at 12:00 noon**
(Please allow 60 minutes for Security and Sign-in.)
- **Session closes at 4:00 p.m.**

As required by recent legislation (MAP-21) the U.S. DOT/FHWA is developing standard public-private partnership (P3) transaction model contracts for the development, financing, construction, and operation of transportation facilities. We invite public project sponsors, and their consultants; private sector contractors; financing institutions; union representatives; concessionaires and other organizations involved in project development; and members of the general public to provide input by participating in a listening session before we initiate development of these contracts. Some of the topics that may be considered at this listening session include: a) the design of the model contract template; b) the scope of the model contracts; c) the specific provisions included in the model contracts; and d) the model contracts that should be delivered first.

Comments can be made in person at the listening session. Alternatively, written comments can be emailed to the Federal Register docket, at <http://www.regulations.gov> and should include Docket No.FHWA-2012-0126; mailed or hand delivered to the U.S. Department of Transportation, Dockets Management Facility, Room W12-140, 1200 New Jersey Avenue, S.E., Washington, DC 20590; or faxed to 202-493-2551.
