1/ Receipts and expenditures are for the Federal fiscal year. This table is the Federal equivalent of Table SF-21 for State Governments.

2/ Grand Total represents Highway Trust Fund receipts, less amounts used for mass transit. The total amount for each State represents Highway Trust Fund receipts used for highways in that State. The difference between receipts and expenditures is included in the Undistributed line.

3/ Excludes highway-user revenues expended for mass transit or nonhighway purposes. See

Tables HF-10 and HDF for the full disposition of highway-user revenues.

4/ Grand Total represents interest income earned by the Highway Trust Fund. Interest is attributed to States based on the total amount each State received from the Highway Trust Fund.

5/ Amounts shown are Federal receipts and disbursements for highways that are not attributable to a single State. The difference between receipts and disbursements represents the net change in the Highway Trust Fund balance.
