1/ Disbursements are classified by system on which expended, rather than by expending agencies, e.g., capital outlay on local rural roads includes expenditures from Federal, State and local funds. Data includes estimates. See Tables FA-21, SF-21, and LGF-21 for details on

highway disbursements by each level of government. The data is compiled from reports of Federal, State and local authorities.

2/ Excludes short-term notes and refunding bond issues.
