1/ The main Interstate construction program is complete. However, the Interstate column does contain small amounts for some Interstate Construction, Interstate Discretionary funds, and Interstate Gap Closing funds.
 2/ The data for the territories and Puerto Rico come from the Office of Program Administration, FHWA. The data represent the allocations of total obligation authority in SAFETEA-LU for the territorial programs and the Puerto Rico highway program.
 3/ Programs discontinued under TEA-21 include ninety percent minimum allocation, donor State bonus, and projects mandated by

the Intermodal Surface Transportation Efficiency Act (ISTEA) of 1991. These projects were identified in Sections 1103-1108 of ISTEA.
 4/ Includes miscellaneous programs funded by the Highway Trust Fund, General Funds administered directly by FHWA, and expenditure of funds transferred to FHWA by other agencies.
