

RD&T Technology Facilitation Action Plan

The following provides a framework for items to be included in technology facilitation action plan. The items should be developed in coordination with appropriate CBU contact. This framework can then be used to finalize the action plan for delivery of research products.

PRODUCT *Describe product and its use*

Description of Product : FHWA - University Course on Bicycle and Pedestrian Transportation

.....
Intended User: Main target is university transportation engineering and planning professors and students; other transportation professionals are regarded as incidental users

.....
Distribution methods: CD-ROM, initial distribution to known transportation engineering professors. Subsequent distribution will require all requests done through website (TFHRC & PBIC). This registration will be used to create a data base of users.

.....
Alternative Formats: Download from Internet

.....
Delivery Date: Summer 2000

PROGRAM/PRODUCT SUPPORT *List contact information for subject matter experts or resource team*

CBU Contact(s): Janet Coleman & Tamara Broyhill, Office of Safety; Levenson Boodlal - contractor for Office of Safety

.....
Resource Center

Contact(s): Pat Hassan & Cathy Satterfied, Midwest Resource Center

.....
Division Office

Contact(s): Greg Novak, Nevada
Megan Hall, Washington State

.....
Other Contact(s): Aida Berkovitz, Paul Harker, & Frank Julian, NHTSA liaisons
John Fegan, FHWA Ped/Bike Coordinator, HEPH

OUTREACH *Describe opportunities or planned external outreach*

Conference Presentations

(ITE, AASHTO, TRB, etc): TRB pedestrian committee presentations; TRB bicycle committee presentations; ProBike/ProWalk conference presentations; annual Ped/Bike coordinator’s conference; ITE conference

Publications (ITE, Public Roads, Transporter, etc.) Transporter article; Velo conference paper; Tech Brief

Other Outreach Activities: PBIC (Pedestrian and Bicycle Information Center) website; TFHRC website Ped/bike page

TRAINING *Describe formal training, briefings or workshop developed or needed*

Materials Needed: Hard copies of Student’s Guide & Instructor’s Guide

Laptop w/ CD-ROM player & MS-PowerPoint; computer projector

Instructor Requirements: Familiarity with all course development history, components & topics.

Schedule of Training/

Workshop/Briefing: Workshop - March 1998; Workshop - April 1999; Workshop - March/April 2001

Intended Audience: University transportation engineering and planning professors.

Alternative Formats: Video

PROGRAM INTEGRATION *Should include discussion of transfer of program activities to appropriate CBU*

CBU Contact: Janet Coleman & Tamara Broyhill, Office of Safety; Levenson Boodlal - contractor for Office of Safety

Research Contact – research will continue in a support role for many technical areas Carol Tan Esse

Follow-up Activities – some products may create additional program integration activities. (For example has research product resulted in item that should be incorporated in MUTCD.) Updates to course to include recent research results; best practices; more operational & specific design material.
