Dear Commissioner McMurry:

We have received your April 23, 2019 letter of interest to participate in Federal Highway Administration's (FHWA's) Special Experimental Project (SEP-16). Your proposal is requesting FHWA to consider allowing the Georgia Department of Transportation (GDOT) to experimentally assume responsibility for disposing of property or limited access rights at Fair Market Value (FMV) or up to within 15% below FMV and to lease property at FMV or up to within 15% below FMV.

Your proposal is being evaluated, and we anticipate providing a formal response by June 14, 2019. If you have any questions, please contact Steve Luxenberg at 404-562-3650.

Sincerely,

Moises Marrero
Division Administrator
