Dear Mr. Schneweis:

We have received your January 7, 2020 letter of interest to participate in Federal Highway Administration's (FHWA's) Special Experimental Project (SEP-16). Your proposal is requesting FHWA to consider allowing the Nebraska Department of Transportation to assume responsibility for approval of amendments to the Statewide Planning Work Program.

Your proposal is being evaluated, and we anticipate providing a formal response in early March 2020. If you have any questions, please contact Justin Luther at justin.luther@dot.gov or 402.742.8464.

Sincerely yours,

Joseph A. Werning
Division Administrator
