RE: Statement of Interest – New Special Experimental Project (SEP-16) to Evaluate Proposals for Delegation of Certain Program-wide FHWA Responsibility to States

Major Project Management Plans and Annual Financial Plans

Dear Ms. Leffler:

The Ohio Department of Transportation would like to withdraw the request seeking delegation of Major Project Management Plans and Annual Financial plans. After further review the Department has realized the limited benefit we would gain and therefore feel it best to withdraw at this time. Thank you for your consideration and ongoing partnership.

Sincerely,
