

**U.S. DEPARTMENT OF TRANSPORTATION
FEDERAL HIGHWAY ADMINISTRATION**

Report on the Status of Federal-aid Highway Funds for Fiscal Year 2026 (Mid-Year)

Section 1402 of the Fixing America's Surface Transportation (FAST) Act requires a semi-annual report on the status of Federal-aid highway funds, with reports produced for mid-year and year-end of each fiscal year. This requirement is codified in section 104(g)(3)(A) of title 23, United States Code.

In general, some information on old programs or none current programs are no longer included on this report. Highway Infrastructure Program funds included under Title VIII of division J of the Infrastructure Investment and Jobs Act (Bipartisan Infrastructure Law), Public Law 117-58 and Appropriation Acts have been added to make the report more useful and provide additional transparency.

The attached report has been developed from data in the Federal Highway Administration's Fiscal Management Information System (FMIS) and includes multiple tables. A description of the data in each of the tables is contained below in the Summary of Tables. Where necessary, individual tables may contain data legends to aid in the reading of the data.

Summary of Tables

Table 1	Obligations by State during the fiscal year of Federal-Aid Highway Program and Highway Infrastructure Program (HIP) funds.
Table 2	Unobligated balances available to each State of Federal-Aid Highway Program and Highway Infrastructure Program (HIP) funds.
Table 3	Provides changes in the obligated, unexpended balance for each State, year-to- date, during the current fiscal year of all Federal Highway Program funds.
Table 3A	Provides changes in the obligated, unexpended balance for each State, year-to- date, during the current fiscal year of Highway Infrastructure Program funds.
Table 4	Unobligated balances of funds available for expenditure at the discretion of the Secretary of Transportation.
Table 5	Provides the rates of obligation of funds apportioned or set aside from apportioned programs. The data are provided for each State and geographic area, including urbanized and rural areas, according to the following: - Table 5A provides FY 2026 (MID-YEAR) obligations by State, program, and population for Federal-Aid Highway Programs including Highway Infrastructure Program obligations. - Table 5B provides FY 2026 (MID-YEAR) obligations by State, program, and population for Highway Infrastructure Programs. - Table 5C provides FY 2026 (MID-YEAR) obligations of Surface Transportation Block Grant Program funds by State, program funding subcategory, and population. - Table 5D provides FY 2026 (MID-YEAR) obligations by State, improvement type, and population for Federal-Aid Highway Programs. - Table 5E provides FY 2026 (MID-YEAR) obligations by State, improvement type, and population for Highway Infrastructure Programs. - Table 5F provides FY 2026 (MID-YEAR) obligations of National Highway Performance Program funds by State, program funding subcategory, and population. - Table 5G provides FY 2026 (MID-YEAR) obligations of Congestion Mitigation and Air Quality

Improvement Program funds by State, program funding subcategory, and population.

- Table 5H provides FY 2026 (MID-YEAR) obligations of Highway Safety Improvement Program funds by State, program funding subcategory, and population.

Table 6 Funds transferred year-to-date between apportioned programs under section 126 of title 23, United States Code.
