## Conversations Launching Change

Discussions targeted to Local Agencies, Tribes  
and Federal Land Management Agencies Programs

### Using Data for Asset Management

**Thursday, May 21, 2020**  
**1:00 PM -2:30 PM [EST]**

#### More Data? No Problem!

Data, data, and more data! Now that you've collected all this data, what are you supposed to do with it? Find out during our next Innovation Exchange. In this webinar, you will learn how agencies are using data to drive their decision-making on road improvements.

You will hear local agencies tell their story on how data helped them prioritize infrastructure investments and improve their transportation system. We hope you can join us!

If you have any questions about this upcoming webinar, please contact Andrea Kirk or Hans Anker, P.E., Program Managers with FHWA's Center for Local Aid Support at [Andrea.Kirk@dot.gov](mailto:Andrea.Kirk@dot.gov) or [Hans.Anker@dot.gov](mailto:Hans.Anker@dot.gov).
