

Car Care Log Book

Keep this handy
Log Book in your car.
By using it regularly,
you may:

- save money on gas
- increase the resale value of your car
- reduce pollution emissions
- prevent breakdowns
- enhance engine performance

Driving Tips

to Improve Mileage & Reduce Air Pollution:

- Avoid long idles. Call 511 for real-time traffic and road condition/construction updates.
- Accelerate and decelerate gradually.
- Only use the air conditioner when necessary.
- Use cruise control on highways.
- Avoid carrying unnecessary weight.
- Don't rev the engine.
- Don't "top off" the gas tank. Fuel expansion in warm weather can cause an overflow.
- Give your car a break! Try taking the bus, carpooling, or walking instead of driving.
- Report smoking vehicles. Call: 954-519-1499
- Because... *It all adds up to cleaner air*
