Implementation Guidance (February 2010)

The Consolidated Appropriations Act, 2010 (Public Law 111-117), enacted on December 16, 2009, authorized the Highway Infrastructure Program (HIP) under division A, title I, section 122. These funds are in addition to any other contract authority provided in FY 2010. The Fiscal Management Information System (FMIS) program code for these funds is LHIP.
- B. **Obligation Authority** – HIP funding is not subject to any obligation limitation that applies to Federal-aid contract authority. Specifically, the amounts made available shall not be subject to any limitations on obligations for Federal-aid highways or highway safety construction programs set forth in any Act.

- B. **Transfers** – For those projects more suitably administered by another Federal agency (including flex funding transfers to the Federal Transit Administration), transfers can be made in accordance with the July 19, 2007, Information Memorandum "[INFORMATION: Fund Transfers to Other Agencies and Among Title 23 Programs](#)" located at:
