A close-up photograph of a metal guardrail end terminal. The terminal is made of galvanized steel and is mounted on a concrete base. A white label is affixed to the side of the terminal. The label contains the text "ET - Plus®", "Guardrail End Terminal", "US Patent No. 6715735", and "PC 68528". The terminal is connected to a metal post, and the background shows a concrete surface and some gravel.

**ET - Plus®**  
Guardrail End Terminal
