Crowdsourcing for Congestion Management

Thursday, Sept. 24, 2020

1-2:30 PM, EST

“Crowdsourcing” may be the key toward unlocking a quicker, safer and less stressful travel experience for daily commuters. For the next Innovation Exchange, hear how Crowdsourcing is improving traffic congestion management for local agencies and the communities they serve.

Join your peers and the Center for Local Aid Support to learn more about Crowdsourcing.

We will have speakers from:

- City of Louisville, KY
- South Jersey Transportation Planning Organization – Includes Atlantic, Cumberland, Cape May and Salem Counties.
- David Filatreau with Stantec and Jeff Neal with the City of Lexington, KY

If you have any questions about this upcoming webinar, please contact Andrea Kirk or Hans Anker, P.E., Program Managers with FHWA’s Center for Local Aid Support at

Registration Process

New Non-Federal DOT Participants

To gain access to FHWA’s webinar system, you must complete the two-step registration process. You can only access the site using IE or Chrome as your browser.

1. Non-Federal-DOT users (anyone without a @dot.gov email address, including state DOT personnel) must create an account with the FHWA External Portal.
2. Open the registration portal and create your account at:
<https://collaboration.fhwa.dot.gov/FBA/Register.aspx>
3. Fill out all required fields and create a password. This email address and password will be used for access to all Innovation Exchange webinars. We recommend first time users create an account at least 48 hours before the webinar.
4. Once you’ve successfully registered, you will receive a confirmation email from the portal that you have access. You then **reserve your spot** for the webinar using your login information at
<https://collaboration.fhwa.dot.gov/dot/fhwa/WC/Lists/Seminars/DispForm.aspx?ID=2552>

Federal-DOT staff and Federal-DOT-badged contractors do not need to create an account.

If you have previously accessed one of our webinars, you can register using this [LINK](#).
