

30 People will die today in a Rural Roadway Departure – Let's save the people behind the numbers

Taking Action to Reduce Rural Roadway Departures Systemically

An EDC-5 Webinar

Rural Agencies and Tribes, come learn what you can do, where you are, with what you have, to reduce rural roadway departures. You can make a difference!

Speakers and Topics to be covered include:

- Cate Satterfield, FHWA Office of Safety, will discuss why it is important for every agency to accept the call to action on this important safety issue.
- Rick Tippett, Trinity County, California, will discuss how the systemic approach is the way to make cost-effective improvements to reduce the likelihood of future crashes.
- Victor Lund, St. Louis County, Minnesota will discuss how they have used a local road safety plan to guide them in improvements that have reduced crashes on the county system.

This webinar is free and open to anyone who is interested.
