Understand Value Capture Tools and Federal Resources (June 20th, 2019)

What you need to know about Value Capture Strategies in transportation investment! Are you looking for funding to complete your street initiative or improve your infrastructure condition? Interested in funding and financing strategies for a needed transportation infrastructure program of projects? Do you need a stronger understanding of how to pair Value Capture techniques with Federal resources? Are you interested in learning how other transportation agencies capitalize on the value created by transportation investments and capture a portion of increased value? Join us to learn more about Value Capture, including case studies that are being implemented by lead agencies.

Our speakers will provide an executive overview of Value Capture and its benefits, state of practice, case studies, and how FHWA can assist in implementing Value Capture. The objective is to build capacity for consideration and implementation of revenue options and value capture tools as part of a mix of funding and financing strategies in long-range plans. After successfully completing this webinar, participants will understand the benefits and applicability of Value Capture mechanisms to accelerate project delivery, non-Federal matching opportunities, pairing with Federal Innovative Finance, and getting the project off the ground.

TARGET AUDIENCE: Metropolitan and Rural Planning/Programming Organization, States, Cities, Counties, Townships, and Tribal Transportation Professionals.

Below are the instructions for non-DOT attendees and Federal DOT staff and DOT-badged contractors:

**Registration Process for Non-DOT Attendees**
1. non-DOT users including State DOTs must request access to the FHWA External Portal for webinars
   - Here is the link to request an account: [https://collaboration.fhwa.dot.gov/FBA/Register.aspx](https://collaboration.fhwa.dot.gov/FBA/Register.aspx).
   - Step-by step instructions on how to request an account can be found here: [https://connectdot.connectsolutions.com/espnon-dotstaff/](https://connectdot.connectsolutions.com/espnon-dotstaff/)
2. non-DOT users including State DOTs must login using the email address used to request access to the site and their requested password.
   - The account issuance takes approximately one business day. Once they receive their account information, they can access the site by clicking on the registration link and logging in.

**Registration Process for Federal DOT Staff and DOT-badged Attendees**
Federal DOT staff do not need to register for an account. However, please register for each and every webinar you, and others, anticipate attending. A head count for the number of phone lines is important for us to know. You can register as individuals or as a group, as long as there is one phone line used. Use the link provided that is unique and distinct for each session of the airings.

There is no cost to participate in these Webinars and they are open to everyone who is interested. Each Webinar will last 90 minutes with 60 minutes allocated for presentations and 30 minutes for audience Q&As. Through the use of Web conferencing technology, participants can view the speakers' presentations on their computer and hear the audio portion of the presentations either via the computer or telephone, depending on preference.

We look forward to your participation and hope you find these webinars beneficial to your agencies and professional needs! If you have questions, please contact Thay Bishop at (404)562-3695 or [Thay.Bishop@dot.gov](mailto:Thay.Bishop@dot.gov).
