The Every Day Counts-5 (EDC-5) Virtual Public Involvement (VPI) team is pleased to announce the second installment of the *Extending Our Reach* Public Involvement webinar series scheduled for June 25, 2019, from 2:00PM to 3:30PM (ET). The webinar will feature National leaders in public involvement who will share their experiences in adopting, implementing, and monitoring the effectiveness of innovative public involvement tools and strategies. Presenters will highlight the following public involvement techniques: Building a Social Media Presence, Targeted Online Ads, and Telephone Town Halls. Following each presentation, the audience can participate in a robust Q/A session with the guest presenters. The Webinar’s presenters and logistical information can be found below. For more information, please contact Scott Allen at scott.allen@dot.gov or 202-366-2650.
