

EDC-7 Virtual Summit Agenda

February 14-16, 2023 1:00 - 6:30 (Eastern)

TUESDAY, FEBRUARY 14 — THEME: IMPROVING SAFETY FOR ALL USERS

Time:	Event:	Speaker:
1:00 - 1:45	Opening Session: Safety for All Users	
	Nighttime Visibility for Safety Breakout Session with Q&A	FHWA: Victoria Brinkly, George Merritt
2:00 - 3:30	Next Gen TIM: Technology for Saving Lives Breakout Session with Q&A	FHWA: James Austrich, Paul Jodoin, Joseph Tebo New Jersey DOT: Sal Cowan Enforcement Engineering: Grady Carrick Missouri DOT: Owen Hasson
3:45 - 4:45	National STIC Network Showcase Improving Safety for All Users with “6-minute pitch” of STIC homegrown ideas	
	Nighttime Visibility for Safety Breakout Session (Repeated) with Q&A	FHWA: Victoria Brinkly, George Merritt
5:00 - 6:30	Next Gen TIM: Technology for Saving Lives Breakout Session (Repeated) with Q&A	FHWA: James Austrich, Paul Jodoin, Joseph Tebo New Jersey DOT: Sal Cowan Enforcement Engineering: Grady Carrick Missouri DOT: Owen Hasson

EDC EXHIBIT HALL, TUESDAY, FEBRUARY 14

Want to dive deeper on the initiatives or have additional questions? In addition to the structured breakout sessions, all of the EDC Deployment teams will be available at different times during the summit to answer your questions and share additional insights of their initiatives. See below for a list and join them for topical discussions and office hours opportunities.

Nighttime Visibility for Safety

Time:

Event:

3:45 - 4:45 : **Office Hours** — Continuation of Q & A after the breakout session

Next Gen TIM: Technology for Saving Lives

Time:

Event:

3:45 - 4:45 : **Office Hours** — Continuation of Q & A after the breakout session

EPDs for Sustainable Project Delivery

Time:

Event:

2:00 - 3:00 : **Buy Clean Policy 101**

3:00 - 4:30 : **How to use an EPD (Environmental Production Declaration)**

4:30 - 6:30 : **Office Hours and Game Show**

Integrating GHG Assessment and Reduction Targets in Transportation Planning

Time:

Event:

2:00 - 3:00 : **Field Practices of Integrating GHG in Transportation Planning**

4:00 - 5:00 : **Office Hours**

Enhancing Performance with Internally Cured Concrete (EPIC²)

Time:

Event:

2:00 - 3:00 : **Theory and Performance of Internally Cured Concrete**

3:00 - 4:00 : **Mixture Proportioning for Internally Cured Concrete**

5:00 - 6:00 : **Internally Cured Concrete Lessons Learned in NY, IN, and LA**

Rethinking DBE for Design-Build

Time:

Event:

2:00 - 3:30 : **DBE Open Ended Performance Plan for Design-Build projects**

3:30 - 5:00 : **Best Practices on developing and monitoring a DBE open ended performance plan**

5:00 - 6:30 : **Field practices on integrating the DBE open ended performance plan**

Strategic Workforce Development

Time:

Event:

2:00 - 4:00 : **Strategic Workforce Development Lessons Learned in OH, NV, and VT**

WEDNESDAY, FEBRUARY 15 — THEME: BUILDING SUSTAINABLE INFRASTRUCTURE

Time:	Event:	Speaker:
1:00 - 1:45	Opening Session: Building Sustainable Infrastructure	
	EPDs for Sustainable Project Delivery Breakout Session with Q&A	FHWA: LaToya Johnson, Migdalia Carrion Colorado DOT: Hailey Goodale, Colorado DOT Oregon DOT: Zechariah Heck Puerto Rico Highway Transportation Authority: Miguel Estrella Associated General Contractors of America: Alex Etchen, Melinda Tomaino
2:00 - 3:30	Integrating GHG Assessment and Reduction Targets in Transportation Planning Breakout Session with Q&A	FHWA: David D’Onofrio, Jim Thorne, John Davies, Maria Hayford, Audra Bandy Oregon DOT: Tara Weidner
	Enhancing Performance with Internally Cured Concrete (EPIC²) Breakout Session with Q&A	FHWA: Tim Barrett NYSDOT: Harry White Louisiana Transportation Research Center: Tyson Rupnow
3:45 - 4:45	National STIC Network Showcase Building Sustainable Infrastructure with “6-minute pitch” of STIC homegrown ideas	
	EPDs for Sustainable Project Delivery Breakout Session (Repeated) with Q&A	FHWA: LaToya Johnson, Migdalia Carrion Colorado DOT: Hailey Goodale, Colorado DOT Oregon DOT: Zechariah Heck Puerto Rico Highway Transportation Authority: Miguel Estrella Associated General Contractors of America: Alex Etchen, Melinda Tomaino
5:00 - 6:30	Integrating GHG Assessment and Reduction Targets in Transportation Planning Breakout Session (Repeated) with Q&A	FHWA: David D’Onofrio, Jim Thorne, John Davies, Maria Hayford, Audra Bandy Oregon DOT: Tara Weidner
	Enhancing Performance with Internally Cured Concrete (EPIC²) Breakout Session (Repeated) with Q&A	FHWA: Tim Barrett NYSDOT: Harry White Louisiana Transportation Research Center: Tyson Rupnow

EDC EXHIBIT HALL, WEDNESDAY, FEBRUARY 15

Want to dive deeper on the initiatives or have additional questions? In addition to the structured breakout sessions, all of the EDC Deployment teams will be available at different times during the summit to answer your questions and share additional insights of their initiatives. See below for a list and join them for topical discussions and office hours opportunities.

Integrating GHG Assessment and Reduction Targets in Transportation Planning

Time:

Event:

3:45 - 4:45 Office Hours — Continuation of Q & A after the breakout session

EPDs for Sustainable Project Delivery

Time:

Event:

3:45 - 4:45 Office Hours — Continuation of Q & A after the breakout session

Enhancing Performance with Internally Cured Concrete (EPIC²)

Time:

Event:

3:45 - 4:45 Office Hours — Continuation of Q & A after the breakout session

Nighttime Visibility for Safety

Time:

Event:

2:00 - 3:00 Nighttime Visibility and Pedestrian Safety

3:30 - 4:30 Office Hours

5:00 - 6:00 Nighttime Visibility and Intersection Safety

Next Gen TIM: Technology for Saving Lives

Time:

Event:

2:30 - 4:00 Next Gen TIM: Advanced Warning Technology

Rethinking DBE for Design-Build

Time:

Event:

2:00 - 3:30 DBE Open Ended Performance Plan for Design-Build projects (Repeated)

3:30 - 5:00 Best Practices on developing and monitoring a DBE open ended performance plan (Repeated)

5:00 - 6:30 Field practices on integrating the DBE open ended performance plan (Repeated)

Strategic Workforce Development

Time:

Event:

3:00 - 5:00 Strategic Workforce Development Lessons Learned in OH, NV, and VT (Repeated)

THURSDAY, FEBRUARY 16 — THEME: GROWING AN INCLUSIVE WORKFORCE

Time:	Event:	Speaker:
1:00 - 1:45	Opening Session: Growing an Inclusive Workforce	
2:00 - 3:30	Rethinking DBE for Design-Build Breakout Session with Q&A	FHWA: Christine Thorkildsen, Martha Kenley, Eric Ross Colorado DOT: Kelly Whaley, Anna Marriott Texas DOT: Michael Bryant, Chair, AASHTO Committee on Civil Rights
2:00 - 3:30	Strategic Workforce Development Breakout Session with Q&A	FHWA: Joe Conway, Christina Currier Alabama Community College System: Ebony Horton, Gary Weaver Idaho Transportation Department: Jessika Phillips Arizona Chapter of the Associated General Contractors of America: Corey Foster
3:45 - 4:45	National STIC Network Showcase Growing an Inclusive Workforce with “6-minute pitch” of STIC homegrown ideas	
5:00 - 6:30	Rethinking DBE for Design-Build Breakout Session (Repeated) with Q&A	FHWA: Christine Thorkildsen, Martha Kenley, Eric Ross Colorado DOT: Kelly Whaley, Anna Marriott Texas DOT: Michael Bryant, Chair, AASHTO Committee on Civil Rights
5:00 - 6:30	Strategic Workforce Development Breakout Session (Repeated) with Q&A	FHWA: Joe Conway, Christina Currier Alabama Community College System: Ebony Horton, Gary Weaver Idaho Transportation Department: Jessika Phillips Arizona Chapter of the Associated General Contractors of America: Corey Foster

EDC EXHIBIT HALL, THURSDAY, FEBRUARY 16

Want to dive deeper on the initiatives or have additional questions? In addition to the structured breakout sessions, all of the EDC Deployment teams will be available at different times during the summit to answer your questions and share additional insights of their initiatives. See below for a list and join them for topical discussions and office hours opportunities.

Rethinking DBE for Design-Build

Time:

Event:

3:45 - 4:45 Office Hours — Continuation of Q & A after the breakout session

Strategic Workforce Development

Time:

Event:

3:45 - 4:45 Office Hours — Continuation of Q & A after the breakout session

Nighttime Visibility for Safety

Time:

Event:

2:00 - 3:00 Nighttime Visibility and Roadway Departure Safety

3:30 - 4:30 Office Hours

Next Gen TIM: Technology for Saving Lives

Time:

Event:

2:00 - 3:00 Next Gen TIM: Post-Crash Care Round Table

3:00 - 3:30 Office Hours

EPDs for Sustainable Project Delivery

Time:

Event:

2:00 - 3:00 EPD Roundtable with State DOTs

3:00 - 4:00 EPD Roundtable with Industry

4:00 - 5:00 EPD Roundtable with Stakeholders (tools, data, education opportunities)

5:00 - 6:30 Office Hours and Game Show

Integrating GHG Assessment and Reduction Targets in Transportation Planning

Time:

Event:

2:00 - 3:00 Incorporating GHG and climate considerations into transit planning

4:00 - 5:00 Office Hours

Enhancing Performance with Internally Cured Concrete (EPIC²)

Time:

Event:

2:00 - 3:00 Theory and Performance of Internally Cured Concrete (Repeated)

3:00 - 4:00 Mixture Proportioning for Internally Cured Concrete (Repeated)

5:00 - 6:00 Internally Cured Concrete Lessons Learned in NY, IN, and LA (Repeated)

EDC-7 VIRTUAL SUMMIT AGENDA

SCHEDULE AT A GLANCE

TUESDAY, FEBRUARY 14 — THEME: IMPROVING SAFETY FOR ALL USERS

Time	General Sessions	Nighttime Visibility for Safety	Next Gen TIM: Technology for Saving Lives	EPDs for Sustainable Project Delivery	Integrating GHG Assessment and Reduction Targets in Transportation Planning	Enhancing Performance with Internally Cured Concrete (EPIC ²)	Rethinking DBE for Design-Build	Strategic Workforce Development
1:00	Opening Session: Safety for All Users							
1:15								
1:30								
1:45								
2:00		Breakout Session with Q&A	Breakout Session with Q&A	Buy Clean Policy 101	Field Practices of Integrating GHG in Transportation Planning	Theory and Performance of Internally Cured Concrete	DBE Open Ended Performance Plan for Design-Build projects	Lessons Learned in OH, NV, and VT
2:15								
2:30								
2:45								
3:00				How to use an EPD		Mixture Proportioning for Internally Cured Concrete	Best Practices on developing and monitoring a DBE open ended performance plan	
3:15								
3:30	National STIC Network Showcase Improving Safety for All Users	Office Hours	Office Hours					
3:45								
4:00								
4:15								
4:30					Office Hours			
4:45								
5:00		Breakout Session (Repeated) with Q&A	Breakout Session (Repeated) with Q&A	Office Hours and Game Show		Internally Cured Concrete Lessons Learned in NY, IN, and LA	Field practices on integrating the DBE open ended performance plan	
5:15								
5:30								
5:45								
6:00								
6:15								
6:30
