ROADS TO YOUR FUTURE WILL HELP YOU:

- ▶ Fully staff up with skilled and technically competent workers
- ▶ Access resources to develop a highway construction workforce program in your area
- ▶ Actively address the shortage of highway workers needed to advance innovations in transportation

#RoadsToYourFuture

HCWP strives to identify, train, and place individuals into the transportation industry—strengthening the pipeline of skilled workers to tackle the highway construction workforce challenge.

PARTNERS

The following stakeholders came together to design the Highway Construction Workforce Partnership (previously “Pilot”) to develop a new model for identifying, training, and placing individuals in highway construction jobs.

- ▶ American Association of State Highway and Transportation Officials (AASHTO)
- ▶ American Road & Transportation Builders Association (ARTBA)
- ▶ Associated General Contractors of America (AGC)
- ▶ U.S. Department of Labor Employment and Training Administration (ETA)
- ▶ U.S. Department of Transportation Federal Highway Administration (FHWA)
