P3 Training – Maryland DOT

FHWA Technical Resources: P3 Toolkit

- **Fact sheets:** One page summaries of various P3 concepts
- **Primers** – Introduction to P3 concepts
- **Guidance documents** – More detailed technical guides for practitioners
- **Analytical tools** – P3-SCREEN and P3-VALUE

P3 Toolkit Primers

- Risk Assessment
- Value for Money
- P3 Financial Structuring and Assessment
- P3 Concessions for Highway Projects

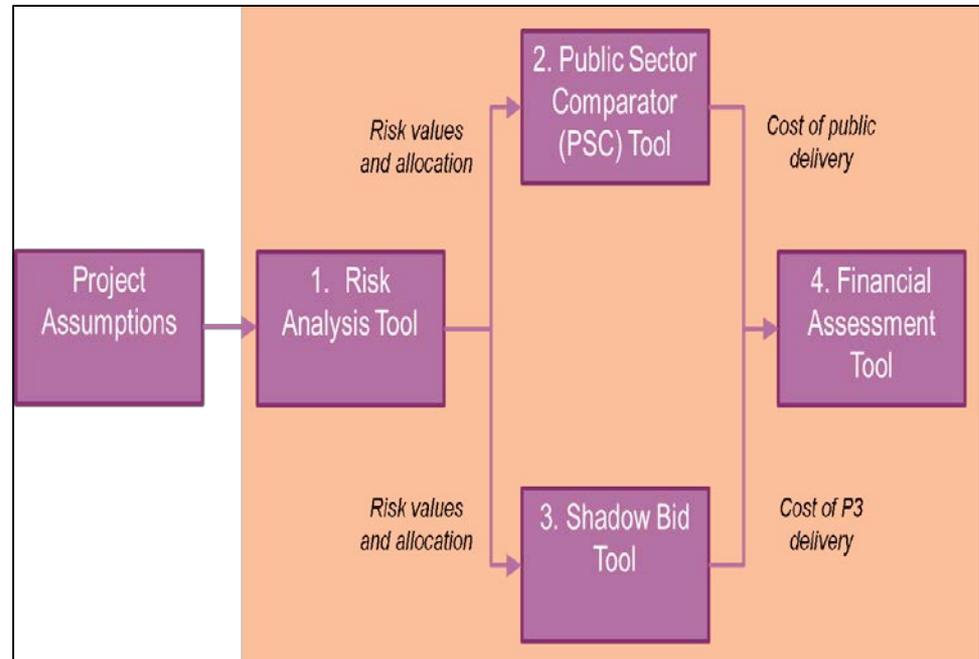

P3 Guides

- Risk Assessment
- Value for Money
- How FHWA Reviews P3s
- P3 Project Financing (forthcoming)
- P3 Model Contracts:
 - Toll Concession
 - Toll Concession addendum (forthcoming)
 - Availability Payments (forthcoming)
- P3 Best Practices (forthcoming)

P3 Analytical Tools

- **P3-SCREEN** to assist in qualitative assessment of the appropriateness of a P3 delivery for major projects
- **P3-VALUE**, a suite of educational P3 financial evaluation spreadsheet tools to understand risk assessment and value for money analysis

P3 Website

The screenshot shows the P3 Toolkit website in Internet Explorer. The browser title is "FHWA Office of Innovative Program Delivery: Public Private Partnerships - Windows Internet Explorer". The address bar shows "http://www.fhwa.dot.gov/ipd/p3/toolkit/". The website header includes the "Innovative Program Delivery" logo, a search bar, and a "PRINT" button. A navigation menu lists: Home, Calendar, Project Profiles, Fact Sheets, MAP-21, Glossary, Resources, Site Directory, and Website Feedback. Below the navigation is a horizontal menu with five categories: Project Delivery, Project Finance, Public-Private Partnerships (highlighted), TIFIA, and Revenue. The main content area is titled "P3 Toolkit" and "Overview". The overview text states: "The P3 Toolkit includes analytical tools and guidance documents to assist in educating public sector policy-makers, legislative and executive staff, and transportation professionals in implementation of P3 projects. The P3 Toolkit forms the base of a broader P3 capacity-building program which includes a curriculum of courses and webinars." Below this, it says "The P3 Toolkit addresses Federal requirements and four key areas of P3 implementation:" followed by a bulleted list: "Legislation and Policy;", "Planning and Evaluation;", "Procurement; and", and "Monitoring and Oversight." On the left side, there is a sidebar menu with "P3 Home" and "P3 Toolkit" (expanded) containing links to Fact Sheets, Publications, Analytical Tools, P3-VALUE Webinars, Training, Checklists, and FAQs. Under "P3 Defined", there is a section for "New Build Facilities:" with sub-links for Private Contract Fee Services, Design Build, Design Build Operate Maintain, Design Build Finance, and Design Build Finance Operate Maintain. The Windows taskbar at the bottom shows the Start button, Internet Explorer, and other applications. The system tray shows "Trusted sites | Protected Mode: Off", a 100% zoom level, and the date/time "4:55 PM 6/16/2014".

P3 Training

- **Webinars through IPD Academy** -- Series of webinars on P3 concepts and P3 evaluation
 - Recordings are available on FHWA's external website.
- **P3 Toolkit training course** -- Training on risk assessment and value for money analysis for P3s, including P3-VALUE.
 - Available to public sector transportation agencies at no cost

The screenshot shows a webinar interface with a central slide and a sidebar. The slide features the P3 Toolkit logo and the title "Value for Money Analysis: Constructing the Public Sector Comparator and the Shadow Bid". Below the slide, it says "P3-VALUE Webinar – January 23, 2014" and identifies Patrick DeCorla-Souza as the P3 Program Manager at the Office of Innovative Program Delivery. The sidebar on the left includes "Audio Information" (Call-in Number: 800-683-4564, Participant Passcode: 125883F), an "Attendee List" (40), "Active Speakers" (Michael Kay), "Presenters" (Patrick DeCorla-Souza), and a "File Download" table.
