A revised Notice was not issued for the four Continuing Resolutions (CR) covering the period from December 12, 2020, to December 28, 2020, due to the short duration of the CRs making distributions unfeasible from a programmatic standpoint.  - c. The funds authorized for the Tribal Transportation Program are not subject to this provision and authorized amounts for such program that are in excess of the associated obligation limitation are not redistributed to the States.
 - d. The certain authorized funds are distributed to the States in the same proportions as the FY 2021 distribution of formula obligation limitation under section 120(a)(5) of the Department of Transportation Appropriations Act, 2021.
