1/ Table SF-12A shows capital outlay for the Interstate, Arterial, and Collector systems by area and improvement type. This table does not include expenditures for roads functionally classified as local. Entries for some States may include estimates.

Urban areas include both small urban and urbanized areas.

2/ These States used the revised FHWA-534 reporting form. Restoration and Rehabilitation, and Resurfacing were combined into one data item. Table SF-12A for the 2000 data year will not show any Resurfacing for these States.
