

PAVEMENT MANAGEMENT QUARTERLY WEBINARS

February 21, 2019 – 2:00 pm Eastern

The Federal Highway Administration (FHWA), in cooperation with the AASHTO Joint Technical Committee on Pavements, TRB Committee AFD10, Pavement Management Systems, and AFD20, Pavement Condition Evaluation, is hosting a series of quarterly webinars on pavement management. The purpose of the webinars is to provide a forum for education and communication for pavement management practitioners.

The upcoming webinar will be conducted on February 21, 2019 from 2:00-3:30 pm Eastern Time and cover the AASHTO Pavement Management Guide Chapter 7, Using and Presenting Pavement Management Results.

Additional information on the webinars and recordings may be found at FHWA's Pavement Management and Performance website:

(<http://www.fhwa.dot.gov/pavement/mana.cfm>).

There is no cost for this Webinar but registration is required. To register for the webinar, go to:

NEW Registration Process

Registration is a two-step process. First, non-DOT users including State DOTs must request access to the FHWA External Portal. Second, non-DOT users including State DOTs must login using the email address used to request access to the site and their requested password. Federal DOT staff and DOT-badged contractors do not need to register for an account.

In the new External SharePoint System, EXTERNAL users (those without a @dot.gov email address) will have to request an account before they can register. Here is the link to request an account:

<https://collaboration.fhwa.dot.gov/FBA/Register.aspx>

Step-by step instructions on how to request an account can be found here:

<https://connectdot.connectsolutions.com/espnon-dotstaff/>

The account issuance takes approximately one business day. Once they receive their account information, they can access the site by clicking on the registration link and logging in.

DOT users do not have to create an account to register. They can click on the registration link and use their DOT credentials to access the site.
