

PAVEMENT MANAGEMENT QUARTERLY WEBINARS

October 21, 2021 – 2:00 pm Eastern

The Federal Highway Administration (FHWA), in cooperation with the American Association of State Highway and Transportation Officials (AASHTO) Committee on Materials and Pavements (COMP), Transportation Research Board (TRB) Committee AKT10, Pavement Management Systems, and AKP10, Pavement Condition Evaluation, hosts a series of quarterly webinars on pavement management. The purpose of the webinars is to provide a forum for education and communication for pavement management practitioners.

The upcoming webinar will be conducted on October 21, 2021 from 2:00-4:00 pm Eastern Time and will focus on the topic ‘Advancements on Data Collection Technologies & Impacts on Pavement Management Decision-Making’, for the national overview presentation along with presentations on state and local agency experiences related to transition and use of data collection technologies and approaches to handling impacts on pavement management decisions.

Additional information on past webinars and recordings may be found at FHWA’s Pavement Management and Performance website: (<http://www.fhwa.dot.gov/pavement/mana.cfm>).

There is no cost for this webinar. To register for the October 21, 2021 webinar, go to:
