1/ Tables SF-3 and SF-4 summarize receipts and disbursements for State-administered roads and bridges. Amounts shown reflect activities of State highway departments, State park boards, other State agencies, and quasi-State toll facilities. Includes direct work on local roads under State control, and State highway debt service transactions. See Table SF-21 for general note on SF table series. This table is compiled from reports of State authorities.

2/ Any differences between beginning balances and the ending balances on last year's Table SF-4

are the result of accounting adjustments, inclusion of funds not previously reported, etc.

3/ Amounts shown represent only those highway-user revenues that were expended on State-administered roads. See Table DF for the full amount and disposition of highway-user revenues.

4/ Amounts shown represent gross general fund appropriations for highways reduced by the amount of highway-user revenues placed in the State General Fund. See Tables SF-1 and DF.

5/ Includes sales and use taxes, severance taxes, and other State taxes.
