1/ Negative numbers indicate money transferred to other projects or returned to FHWA.
2/ Parkways and Park Roads, and Forest Highways are no longer reported by State under the FMIS4 system.
In previous years over \$100 million of allocations were reported in the FA-4D for each program. The

reason is that the National Park Service and the Forest Service respectively, not the Federal Highway Administration, allocate the money to the States.
3/ Includes over fifty other small miscellaneous programs.
