1/ This table is one of a series on Local Highway Finance. Table LGF-21 summarizes the receipts and disbursements of local governments for highways. Local government reporting is on a biennial basis with even-numbered years optional. This is compiled from the reports of State and local governments.
 2/ D. C. is excluded as there are no local jurisdictions within the District.
 3/ The amounts shown are identical with the receipts allocated for highways as shown on Table LDF.

See Table LDF for allocations for mass transit, and nonhighway purposes.
 4/ Bonds issued for and retired by refunding are excluded. Tables LGF-1 and LGF-2 include original and refunding issues. See Table LGB-2 for further information on the status of local highway debt.
 5/ Estimated by FHWA.
