1/ For additional details of publicly owned vehicles and of trucks, buses, and trailers registered, see tables MV-7, 9, 10, and 11, respectively. Where the registration year is not more than one month removed from the calendar year, registration-year data are given.

Where the registration year is more than one month removed, registrations are given for the calendar year.

2/ Includes Federal (2010 data not available; used 2009), State, county, and municipal vehicles. Vehicles owned by the military services are not included.

3/ The numbers of private and commercial buses given here are estimates by the Federal Highway Administration of the numbers in operation, rather than the registration counts of the States.

4/ State did not provide complete current data. Table displays estimates by FHWA.

5/ The following farm trucks, registered at a nominal fee and restricted to use in the vicinity of the owner's farm, are not included in this table: Connecticut, 6,823; New Hampshire, 13,001; Pennsylvania, 11,038; and Rhode Island, 1,491.

6/ Table displays 2007 data for Puerto Rico.
