1/ Negative numbers indicate adjustments to projects.
2/ The "Other" category includes obligations for work that cannot be classified as rural or urban. This work includes highway planning and research, metropolitan planning, etc.
3/ Includes National Highway System Funds as shown in Table FA-6, as well as amounts from other programs that were obligated on the National Highway System.
4/ Prior to 1995, Reconstruction was not split into separate items for added capacity and no added capacity. When Pre-1995 projects are reopened, the improvement type has been recoded, causing negative adjustments to "Pre-FY 1995 Reconstruction" and positive adjustments to the two new Reconstruction items.
5/ These amounts represent adjustments of certain prior year obligations.
