(1) Due to conversion from English to metric units and to rounding, individual cell values may not agree with corresponding mileage table cell values. (2) Rural minor collector and rural/urban local functional system lane-kilometers estimated by FHWA assuming two as the number of lanes. (3) 2010 data. May see differences from prior years; starting in 1999, number of lanes is coded for all systems except rural minor collector and rural/urban local.
