(1) The completeness of data on trailer registrations varies greatly. Data are reported to the extent available from State reports.

(2) This column includes all commercial type vehicles and semitrailers that are in a private or for-hire use.

(3) Mobile homes and house trailers are shown in this column for States that require them to be registered and are able to separate them from other trailers. In States where this classification is not available, house trailers are included with light car trailers.

(4) State indicated data by type was not available.

(5) State did not file a 2012 report, 2011 data used.

(6) State did not file a 2012 report, data estimated by FHWA from website report.

(7) As data has been estimated, or not included in some cases, totals should be considered estimates at best.
