1/ This table contains Federal-aid funds obligated, State matching funds, and highway improvement projects initially authorized in Fiscal Year 2014 by type of improvement and functional system. Additional funds obligated for projects initially authorized in prior fiscal years are not included. Therefore, obligations shown in this table will be less than those shown in Table FA-4B. Totals may not add due to rounding. The data reported in this table are from the Fiscal Management Information System.

2/ "Not identified by functional class" category includes Federal-aid funded projects not otherwise

included in the remaining functional system categories, such as highway planning and research, metropolitan planning and certain demonstration projects.

3/ "Other" category includes Federal-aid funded programs not otherwise included in the remaining improvement types, such as bridge program special actions, highway planning and research, and metropolitan planning.
