1/ Data shown in this table do not include transfers between the Highway and Mass Transit Accounts, Total Outlays or End- of-Year Balances. These data can be found on Tables FE-10 and FE-210, various years.

2/ Reflects correction of a Treasury error that had originally caused the shift of \$1.596 billion of 1994 receipts to 1995. This was corrected December 1996.

3/ Section 901(e) of the Taxpayer Relief Act of 1997 allowed fuel taxpayers to delay the deposit of estimated tax liabilities that would otherwise have been required in August and September of 1998 until October 5, 1998. This effectively delayed the deposit of \$5,050,714,000 of Highway Account fuel tax receipts from 1998 until 1999.

4/ Balance reflects adjustment of -\$8,017,355,426.71 to Highway Account balance as required by section 9004(a) of the Transportation Equity Act for the 21st Century.

5/ Beginning with FY 2006, transfers between the Highway and Mass Transit Accounts are shown separately rather than as outlays.

6/ Beginning in 1986, the gasoline column includes receipts from motor carrier fines and penalties and beginning in FY 2009 the proceeds of civil tax penalties related to highway excise taxes.

7/ The amount shown as other receipts is a transfer of \$8,017,000,000 from the General Fund of the Treasury to the Highway Account pursuant to P.L. 110-318.

8/ The amount shown as other receipts includes a transfer of \$7,000,000,000 from the General Fund of the Treasury to the Highway Account pursuant to P.L. 111-46 and a downward adjustment to TIFIA loan subsidy of \$164,342,163.

9/ The amount shown as other receipts includes a transfer of \$14,700,000,000 from the General Fund of the Treasury to the Highway Account pursuant to P.L. 111-147 and a rescission of \$6,800,000 pursuant to PL 111-118..

10 / The amount shown as other receipts includes a downward adjustment to TIFIA loan subsidy of \$15,300,372.59 and the transfer to the General Fund of \$830,694.13 in expired NHTSA funds returned to the Treasury

11/ The amount shown as other receipts includes a downward adjustment to TIFIA loan subsidy of \$71,311,135 and the transfer from the Leaking Underground Storage Tank Trust Fund of \$2.4 billion.

12/ The amount shown as other receipts is a transfer from the General Fund of the Treasury.

13/ Other income includes \$17.416 billion and \$4.042 billion in transfers to the Highway Account and Mass Transit Account, respectively. Also included is a \$1.0 billion transfer from the Leaking Underground Storage Tank Fund to the Highway Account.
