# FEDERAL - AID HIGHWAY TRAVEL - 2015

## ANNUAL VEHICLE - MILES

VM-3 Footnotes Page:

- (1) Travel for the rural minor collector and rural/urban local functional systems is estimated by the States based on a model or other means and provided to the FHWA on a summary basis. Travel for all other systems are estimated from State-provided data in the Highway Performance Monitoring System.
- (2) This data was the result of a new TxDOT data system. Based on this information, Statewide vehicle-miles traveled (VMT) decreased 1.48% when compared to the 2013 data, contrary to an expected increase based on other economic indicators which suggest traffic growth in Texas.
- (3) 2010 data.
