(1) Tables SF-3 and SF-4 summarize receipts and disbursements for State-administered roads and bridges. Amounts shown reflect activities of State highway departments, State park boards, other State agencies, and quasi-State toll facilities. Includes direct work on local roads under State control, and State highway debt service transactions. See Table SF-21 for general note on SF table series. This table is compiled from reports of State authorities.

(2) Any differences between beginning balances and the ending balances on last year's Table SF-4 are the result of accounting adjustments, inclusion of funds not previously reported, etc.

(3) Amounts shown represent only those highway-user revenues that were expended on State-administered roads. See Table DF for the full amount and disposition of highway-user revenues.

(4) Amounts shown represent gross general fund appropriations for highways reduced by the amount of highway-user revenues placed in the State General Fund. See Tables SF-1 and DF.

(5) Includes sales and use taxes, severance taxes, and other State taxes.

(6) Amounts shown represent data reported for 2017.
