(1) Travel for the rural minor collector and rural/urban local functional systems is estimated by the States based on a model or other means and provided to the FHWA on a summary basis. Travel for all other systems are estimated from State-provided data in the Highway Performance Monitoring System. Please note that due to data review and production issues with the 2021 HPMS data, some anomalous and/or missing data may exist. These data may not have been fully reviewed for quality/completeness and any sample-based data may not be within statistical tolerances as described in the HPMS Field Manual.
