(1) This table is one of a series on Local Highway Finance. Table LGF-21 summarizes the receipts and disbursements of local governments for highways. Local government reporting is on a biennial basis with even-numbered years optional. This table is compiled from the reports of State and local governments.

(2) The amounts shown are identical with the receipts allocated for highways as shown on Table LDF.

See Table LDF for allocations for mass transit, and nonhighway purposes.

(3) Bonds issued for and retired by refunding are excluded. Tables LGF-1 and LGF-2 include original and refunding issues. See Table LGB-2 for further information on the status of local highway debt.

(4) Estimated by FHWA.
