1. The length of structures includes approaches and connecting links which were financed as an integral part of the toll project. The length of toll bridges includes approach sections which may be used toll-free by local residents. The length of such structures is identified as "net" in the remarks column.

2. Excludes toll transactions that require imaging (i.e., cash, ticket, or token payment).

3. The FHWA Office of Program Administration has no record of the Section 129 Toll Agreement.
