Landslides

Highway PR-52,

Highway PR-123, Adjuntas - Ponce

Road Failures

Municipality of Caguas

Highway PR – 144, Jayuya

Road Failures

PR-7741, Guayama

PR-10, Utuado

Improvements to ER Program in Puerto Rico

1. What resources would be helpful to the Divisions to better assist them in the administration of the ER program?

2. ER Manual

- Do you feel the ER Manual provides adequate guidance to the Division and the State on the ER process? If not, where do you think it needs improvement?
- Are there any specific sections of the ER manual that you feel need clarification or additional detail added?
- Are there any other topics or issues you would like to see addressed in the ER Manual that are not currently addressed?

Cont. Improvements to ER Program in PR

3. Are there any requirements that you would like to see added to or removed from the ER statute (23 USC 125) or regulations (23 CFR 668).

4. The current minimum threshold for an ER event is \$700,000 per event and \$5,000 per site. Do you feel these limits are adequate or should they be revised? If you feel they should be revised, what limits do you think are reasonable for each?

5. Are there any issues with the availability of ER funding?

6. Are there any other issues or concerns you would like to discuss that have not been covered above?
