This is in reference to Zylkia Martin-Yambo's September 3, 2013 email message that forwarded an SEP-14 work plan and related information from the San Diego Association of Governments (SANDAG). SANDAG plans to evaluate the job order contract delivery method on a programmatic basis including a \$ 15 million contract for 2013-2016 and a \$ 10 million contract for 2016-2018.

SAN DAG 's proposed reporting schedule is satisfactory. Their evaluations should include a comparison of the cost, schedule and quality obtained under a job order contract in comparison with the traditional process.

This workplan is approved under our SEP- 14 innovative contracting experimental program. Thank you for the opportunity to review and comment on this SEP-14 request. Should you have any questions, please contact Gerald Yakowenko at (202) 366-1562.
