**Subject: SPECIAL EXPERIMENTAL PROJECT NO. 14: PILOT PROGRAM FOR
LOCAL LABOR HIRING INCENTIVE - FINAL REPORT**

Dear Mr. Dam:

We are submitting this Interim Report per stipulations of the approved SEP-14 workplan. On March 4, 2016, we received Federal Highway Administration (FHWA) approval of the Local Labor Hiring Preference (LLHP) SEP-14 Pilot Program workplan for the Interstate 5 (1-5) pavement rehabilitation project, contract number 07-300704. The pilot project is located in the cities of Commerce and Los Angeles, from the 1-5/1-710 Separation to the Main Street Undercrossing (LA-5-13.8/19.2).

The Contractor has elected to not hire locally for the entire length of contract time and to not submit any forms or other documents to collect LLHP incentives, as permitted by the construction contract.

This SEP-14 LLHP Interim Report has been coordinated with FHWA staff. Should you have any questions or require additional information, please contact Perry Mayer, Office of Construction Standards at perry.mayer@dot.ca.gov or at (916) 227-7013.

Sincerely,

/Original Signed By/

BLAIR ANDERSON
Chief, Office of Construction Standards
Division of Construction
