This is in reference to Ms. Rebecca Bennett's May 17, 2012 letter that forwarded an SEP-14 workplan from Los Angeles County for the use of the job order contracting method for delivering their BPMP.

The BPMP job order contract is a competitively bid, firm fixed price contract that allows the County to perform various bridge preventive maintenance activities at locations throughout the County using competitive prices.

The workplan is satisfactory and you may consider it to be approved under SEP-14.

Thank you for the opportunity to review and comment on this SEP-14 request. Should you have any questions, please contact Gerald Yakowenko at (202) 366-1562.
