This is in reference to Mr. John Haynes's, October 6, 2011 email that transmitted a SEP-14 workplan from the Utah Department of Transportation (UDOT) titled: "Expedited Delivery Contracting Work Plan." The proposal provides a means of maintaining a pool of short listed contractors for expediting the bidding and award of small Federal-aid construction projects.

The UDOT's workplan and proposed schedule for evaluation are satisfactory. You may consider this project approved for evaluation under SEP-14. Thank you for the opportunity to review and comment on this SEP-14 request. Should you have any questions, please contact Gerald Yakowenko at (202) 366-1562.
